Don River Dash Welcome Platinum Sponsor 2022

Release date 16 March 2022: Hundreds of motorsport competitors and spectators alike are set to enjoy a bigger and better Don River Dash in 2022 thanks to a new partnership with Australian earthmoving equipment company Comiskey Mining Services.

Race preparations are well underway with registrations soon opening for the event that will be held at the Bowen Showgrounds from 9 to 11 September this year.

Comiskey Mining Services (CMS) Managing Director Brett Comisky said that he had first-hand experience with the dynamic event.

"I have raced the Don River Dash before, and we have team members and customers that love racing and watching the event.

"Our Co-owner Brendan Camilleri has also raced and this year his son, Kye, is old enough to graduate from navigator to driver. He's beyond excited," Brett said.

"We wanted to be a part of this growing icon in a big way. It's a good family weekend. Many of our employees, like the Long family compete and each time we've been we've made a lot of friends," Brett said.

"The people in Bowen are so welcoming and the destination itself is great for a post-race holiday, not to mention, the awesome track.

"With borders no longer closed this year is going to see more competitors, better racing and a bigger weekend!"

Committee Member and Racer Talbot Cox said the Platinum Sponsor partnership with Comiskey Mining Services is hugely important to the event's success.

"Our event relies on the dedication that companies like Comiskey Mining Services have to their communities.

.../2

"It's huge for us to be able to partner with a Queensland company that really understands how special this event is. The Committee is so excited for this year's event," Talbot said.

DON RIVER DASH

RACE. RECHARGE. RELAX.

9-11 SEPTEMBER 2022

The Don River Dash is unique for racing bikes, buggies and cars through the highly varied terrain of the Don River, with some added jumps. Its reverse grid format means that racers are constantly trying to overtake each other.

All this means the Don River Dash is an unbeatable challenge for competitors and a constant spectacle for those in the crowd.

Competitors can register via offroadracing.com.au for vehicles and ridernet for bikes when registrations open later this year. Potential sponsors can call 0428 855 295 to discuss partnership options.
